Questions for EPA related to non-attainment air permitting in the Uintah Basin.pdf

::

There was a conflict with the original schedule.

Claudia and Chris,

Thanks for taking the time to speak with us today concerning the attached list of nonattainment questions.

This is an invitation to have another call after EPA has had a chance to further consider the questions, gather information, and develop responses.

We look forward to discussing these issues further. Please feel free to forward this invitation to others that might be appropriate for our call.

If you have additional questions you can reach me at 281-210-5204
